Skills, Achievements & Other Experience

- **Projects - How Does a Bike-Share Navigate Speedy Success?** (2021): This project is about how to increase revenue in a company. We are asked for insight from the data and convey that insight to stakeholders.

- **Projects - Which lives longer, a man or a woman?** (2021): Have you ever thought about "Which one lives longer, a woman or a man". I also have the same curiosity when exploring kaggle. I therefore decided to make this theme for my next project and focus my analysis on southeast asia countries.

- **Projects - The oldest business in the world** (2021): Projects this time want to know businesses that have been around for a very long time in various sectors

- **Hard Skills - R, SQL, Tableau, Spreadsheet, Phyton**:

- **Soft Skills - Critical Thingking, Teamwork, Communication, Time Management**:
